### Set Up1

Set up time is from 7:00 A.M. to 9:00 A.M. on Saturday. If you would like to arrive on Friday evening for early set up, please note that on this application. All booths are to be set up AT LEAST one hour prior to the beginning of the Event and may not be removed until the end of the Event, Sunday 5:00 P.M. or Saturday 5:00 P.M. if participating only one day. We ask if you must leave early on Sunday that you let us know when submitting your application, and we will position your booth so that your early departure is less disruptive to other vendors.

Please finish all work on all booths and clear all setup equipment, crates, and debris from your area before opening time. Crafters and Vendors will be encouraged to dress in 1850's attire to enhance the atmosphere of a gold miners' trading camp. Vendors and participants will be set along the streets of an olden time town site created in Memorial Park.

Electricity is at a minimum (after all, it wasn't available in the 1850's), so indicate below if you need power for your booth. We will try to accommodate vendors on a first come, first served basis.
